

## **THE JNES 2021 RECOMMENDATIONS**

- 1- A frank collaboration should be established between the external structures of MINPMEEESA and SEUs for the development and promotion of Social Economy;
- 2- The need to support the value chain approach by setting up incentives for the development of the institutional market (State, 1<sup>st</sup> buyer of local production);
- 3- A plea shall be made for the development of the institutional market to foster the production and productivity of the SEUs in the RLAs;
- 4- An advocacy shall be made for the establishment of capacity building processes for stakeholders for the development of the value chain approach.
- 5- MINPMEEESA should encourage officials of its external structures to put a particular emphasis on the support provided for the structuring of SEUs in their respective localities;
- 6- RELESS should improve their competitiveness for their inclusive and sustainable local development;
- 7- Municipal executives should take into account the projects of RELESS in their municipal development plans;
- 8- The linking or networking of actors in the value chains shall be enhanced;
- 9- The promotion of cooperative markets shall be permanent.
- 10- Supervise the integration of SE good practices by the SEUs;
- 11- Support the creation and growth of SEUs through trainings, incubators, funding, labeling, etc;
- 12- Ensure the revitalization of SEUs in all sectors: social action, education, health, culture, finance, agriculture, local commerce, solidarity tourism, accommodation, industry, etc.
- 13- Popularize the legislation relating to the support to Local Development Initiatives and specifications;
- 14- Develop a perfect collaboration with MINFI within the framework of the release of grants to the SEUs by imprest;
- 15- RLAs should keep a data file of the SEUs in their territory and draw up a map of the SEUs by sector;
- 16- SEUs should be ethical and of good character;
- 17- Harmonize the modes of intervention in RELESS;
- 18- Accelerate the establishment of RELESS and improve the quality of the services provided
- 19- Set up support funds for SEUs;
- 20- Encourage the digitalization of SEUs activities;
- 21- Establish the Social Economy National Council.
