PRESS RELEASE

As part of initiatives undertaken for economic promoters to master productive and wealth-creating technologies, with a view to the structural transformation of the economy,

the Minister of Small and Medium-sized Enterprises, Social Economy and Handicrafts, Mr Achille BASSILEKIN III, hereby informs Small and Medium-sized Enterprises, start-ups, promoters of business incubation and acceleration centres, as well as players in the Social Economy and Handicraft sectors,

That the Digital Transformation Alliance (DTA) Group, in partnership with the Government, will officially launch the "INDUSTRY MAKER ACADEMY - IMA2024" Programme from 03 to 04 April 2024 at the Yaoundé Hilton Hotel.

Considering the importance of the various items on the programme and the limited number of places available, the Minister therefore invites interested parties to register without delay on the DTA website at www.dta-alliance.com or to contact the organisers by telephone at 690287034 for further information on the terms and conditions to take part in this important event.
